POLYCARBONATE ROLLER SHUTTERS

We are the UK manufacturers of CrystalClear Polycarbonate Shutters. Our polycarbonate shutters offer in excess of 90% visibility; combining exceptional strength with great looks.

With a huge variety of applications, our shutters are used everywhere from the Tiger Enclosure at London Zoo to Duty Free shops on luxury cruise liners.

PERFECT FOR

TRAIN STATIONS • AIRPORTS

HIGH STREETS • SHOPPING MALLS

CAR SHOWROOMS • BANKS

SUPERMARKETS

...AND MORE!

CrystalClear Polycarbonate Shutters are accepted nationwide by local authority town planning & regeneration departments. They are suitable for town centres where high security is needed, 24hr product display is essential & planning constraints are stringent.

Our shutters are 100% recyclable and have the lowest carbon footprint in their class.
